Photographer Featured on Main Street

Please take some time this month to enjoy the work of featured photographer, Kim Johnson. Kim found us through the Tioga County Arts Council web site last fall and entered her work in Arts Show on Main's juried show. The images she captured of her grandmother's hands left a lasting impression on us, and they are a perfect fit for this month while we are celebrating the generations in our family services. Kim is the owner of Aramac Gallery and has been busy showing her award-winning work around the Southern Tier. Please take some time to enjoy the multi-generational focus of her photography, sign the guest book, and take one of her brochures. We want her to know that Union Center appreciates her! Any of the work on display can be purchased by contacting Kim directly.

Summer Months

We have opportunities for you to serve in Shepherd's Town. Many Shepherd's Town volunteers are taking a well deserved break during the summer months. If you are available to help in the children's classes one or two weeks this summer, please let us know.

Run/Walk for Life

August 8, 2010, Spiedie Fest

New and exciting things about the Life Choices Center Run/Walk for Life:

- 1) Join the crowd and the action at the Spiedie Fest 5K;
- 2) Join a "Couch to 5K" program for fund raising strategies and a workout plan;
- 3) Get your own personal fund raising web page. And that's just the beginning! Check out the rest at www.LifeChoices-Center.org/events or see us at the table in Main Street. There are lots of ways to participate--run, walk, cheer, sponsor--and it all supports Life Choices Center in their mission to help women and men before, during and after a pregnancy-related crisis.

IMPORTANT: To participate in the Run/Walk, you must also register ahead of time with the Kelly LaBare 5K and pay an \$8 fee. Register at www.SpiedieFest.com or call race director Grace Tabeek,

Creative Arts

Summer Creative Arts Workshops

Once again this summer, the Worship & Arts ministry is sponsoring workshops for artists. Last year's participants had fun and made great work! Our workshop instructors are Union Center members and approach their work from a perspective of faith, but we want to be intentional about making anyone interested in developing their artistic skills feel comfortable - whether they attend church or not. Please invite your friends, neighbors, colleagues and family to participate!
