

GENERAL INFORMATION

WELCOME GUESTS

If you are a new guest to Union Center, we welcome you! We have a small gift for you at the Information Center.

WHEN HELPING HURTS

TODAY, 10:45 AM, ROOM 130

This is a five-week follow-up class to the Rural Poverty Simulation. *When Helping Hurts* offers a different framework for thinking about poverty and its alleviation. Rather than simply defining it as a lack of material things, this class will address the roots of the issue: broken relationships with God, self, and others.
