We are looking for people to point others to God through the use of instruments and all technical skills. CARE AND COMPASSION

CARE

We all get sick. Our bodies fail us for a season or for the foreseeable future. In these times, we may need help with something like having a meal brought in. At Union Center, we want to show care in times of sickness. If you would be willing to be part of caring for others by providing a meal to someone in need the deacons would love to hear from you.

MISSIONS

ON MISSION: PRAYER POINTS

FROM OUR MISSIONARIES IN AFRICA.

Craig and Andrea Shields and family

- Many missionaries are leaving the field, but few are arriving, which can dishearten those working hard to stay. (Matt. 9:38)
- For our neighborhood, for people of peace who are genuine truth-seekers and for the tiny group from our church that was just started.
- For ITES, the small Bible school here. For the director and other leadership, to clearly discern the will of God and the best way to do theological education here in Senegal.
- Our home as appliances continue to break, which wears us down. For a home internet line.
- For family relationships. Healthy rhythms of work and rest.
- For the kids' school and staffing needs. This school plays a critical role to missionary work in Senegal and other West African nations.
